Application Instructions

Circled letters on the form above correspond to the instructions below. **You must complete all shaded areas.**

A. Do not leave blank. Enter "NA" if not applicable or if you are a first time voter.

B. Provide the complete street address of your West Virginia voting residence. A post office box is not sufficient. If your address includes a rural route, describe its location. For example: "2 miles up Low Gap Creek from Highway 11." This address must be different from the one provided in Item 4 and must be within the county or township where you claim legal voting residence.

C. Print the complete address where you want your ballot sent — usually your current mailing address. The address used must be out of the county of your residence (Item 3).

D. If you do not list a party affiliation, you cannot vote in primary elections. You must indicate your political party affiliation when applying for a primary ballot

(Example: Democrat, Republican, Libertarian) or write "none" in Item 6 of the FPCA. (Since 1988, the Republican Party has allowed "no party affiliation voters" to vote in its primary election by requesting a Republican ballot. The Democratic Party allows only registered Democrats to vote in its primary election.) Political party affiliation is not required if only requesting absentee ballots for general elections. If you are currently registered and want to change your political party affiliation or you have previously declined to indicate a political party and you now want to vote in a partisan primary election, you must submit a completed FPCA which includes your new political party affiliation to the local election official not later than 30 days before the election.

E. Check ONE box.

F. The applicant must sign and date the FPCA for it to be processed by the local election official.

I. UNIFORMED SERVICES

A. Who Can Do It

These procedures apply to persons who are U.S. citizens, residents of West Virginia and members of the Uniformed Services and their family members. Uniformed Services are defined as the U.S. Armed Forces, merchant marine, commissioned corps of the Public Health Service and the National Oceanic and Atmospheric Administration. Persons who are not West Virginia residents are not eligible as a result of their spouses' residence.

B. When To Do It

You may use a single FPCA to request ballots for all elections in a calendar year (for local, state and Federal offices).

(1) **To register and request an absentee ballot**, send a completed FPCA to the Clerk of the County Commission so that it is received not later than the 30th day before the election.

If you are already registered and only wish to request an absentee ballot, send a completed FPCA to the Clerk of the Circuit Court so that it arrives not earlier than January 1st or 84 days before the election (whichever is earlier) and not later than the sixth day before the election.

(2) Return your voted ballot so that it arrives by the close of polls on election day. However, your ballot will be counted if it is received before the start of canvassing which occurs 3 to 5 days after the election, bears a U.S. postmark and was postmarked by election day.

The clerk mails out absentee ballots beginning 42 days before an election.

If you are outside the U.S. and have not received your state ballot in a timely manner, use the Federal Write-In Absentee Ballot. See instructions in Chapter 2, page 12 and Section I.E.

C. Oath/Witness Requirements

The voter's signature affirms that the submitted registration information is correct and the voter is eligible.

D. Electronic Transmission of FPCAs and Ballots
